People Against Landlord Abuse & Tenant Exploitation

Antonia Campos

Antonia Campos was born and raised in Acapulco Guerrero, Mexico. In the year 2000, Antonia took a leap of faith and migrated to the United States with nothing more than a dream for a better life. When Antonia arrived she worked relentlessly to sustain a stable living. In 2002, she gave birth to her son Julio, which changed her mind set and overall purpose in life. Julio is a special needs child and propelled Antonia into a network of mothers facing similar situations. Antonia made it her business to spread awareness and resources to parents within her community who live the same reality as her.

Antonia contacted P.A.'L.A.N.T.E. in 2015 in regards to issues with her rent and repairs needed in her apartment. P.A.'L.A.N.T. E assisted her with suing her landlord and resolving her housing dilemma. Since then she has become a part of the P.A.'L.A.N.T.E family.

Antonia is an advocate for those who think they have no voice. She believes the best thing she's done in her life is raise her beautiful son. Antonia's perseverance shows her to be a beacon of light and she truly is P.A.'L.A.N.T.E's orgullo.
